NEW YORK CITY CHILDREN'S CHORUS

NEWSLETTER

The New York City Children's Chorus packed an amazing number of performances into the first half of our 2025-26 season! Concert Choir and In Harmony masterfully performed Britten's *St. Nicolas*. We had our most successful benefit to date, raising approximately $300,000. We forged new artistic relationships, including a performance of Carmina Burana with the Hunter College Choir and a Hanukkah music video with Cantor Azi Schwartz and the Park Avenue Synagogue. There is still much music to look forward to over the next few months and we hope to see you and your friends at an upcoming concert!

NYCCC Goes Viral!

This past December, the NYCCC was invited to record a music video with Cantors Azi Schwartz and Mira Davis of Park Avenue Synagogue, singing "We Are Lights" by the legendary composer, Stephen Schwartz. Members of In Harmony and Concert Choir spent a busy Saturday in December recording their tracks at Reservoir Studios and then hoofing it up to Bryant Park and Grand Central Station to film the music video. With over 161,000 views on Facebook alone, this musical offering will hopefully bring light and hope during the holiday season for years to come.

The NYCCC opened the season in September with a performance at the Annual Awards Dinner for the Appeal of Conscience Foundation, an organization promoting peace, inter-religious cooperation and conflict resolution at the Waldorf Astoria. A special thanks to the Rev. Dr. Fred Anderson, who was instrumental in founding the NYCCC, for the invitation.

Members of In Harmony made their debut on SiriusXM performing holiday favorites on Cardinal Timothy Dolan's Annual Christmas Special. This program reached a wide audience as it aired multiple times a day throughout the holiday season. The choristers also had the opportunity to meet NYC's newly installed Archbishop Ronald Hicks!

Our Training Choirs also got into the spirit of the season in December! Allegro, Intermezzo, Prelude, Scherzo, and Piccolo all had opportunities to bring holiday cheer to friends and family at MAPC. Within a span of 12 days, the NYCCC performed eight concerts to over 1,000 audience members!

Coming Up...NYCCC's South American Debut!

After four very successful European tours, we will be flying south this summer to Argentina and Uruguay! Over 70 choristers, chaperones, and staff will spend eight days touring Buenos Aires, Colonia, and Montevideo. We look forward to collaborations with national youth choirs, tango classes, and immersing ourselves in South American culture.
